## Here's what our clients say about us

We are rated Excellent on

### *Glenthorne Hotel. Pembrokeshire*

"We sold our guest house in January 2017 and were very surprised to have a phone call regarding our ability to claim a repayment from the Inland Revenue. They explained that as an agent they would only charge a fee if the claim would be successful. They acted on our behalf very professionally and everything went smoothly. We were delighted to have a repayment only a few weeks later!"

### *Severn Stars Hotel. Hay-On-Wye*

"Great advice provided and a successful result with HMRC in reducing our taxation over the coming years. To be honest, I didn't fully understand what we were working on with HJR Tax and passed them over to my accountant, who understood immediately and approved their consultancy. The process was straightforward and they achieved the desired result. I am impressed with the service provided and my accountants have been given clear instructions on how to allocate the tax allowances. Big thanks for HJR Tax for assisting us with this matter."
