Excellent

Kitz Katz Cattery. Kettering

"Very professional company work hard and helped me obtain funds I did not know I was entitled too. Thank you for all your hard work"

Archways Boarding Kennels. Oxford

"You've nothing to lose, just to gain! I was sceptical at first because it seemed too good to be true, BUT it's been so easy and SO worth it! The team are very nice and with very minimal effort on my part, I got a substantial sum back! I'm very pleased!"

Towers Boarding Kennels. Biddeford

"What an incredibly easy process - basically we did nothing apart from allow them and our accountants to deal with everything between them. We ultimately received a couple of very welcome cash rebates for both of us and a good capital allowance figure to be taken off our tax for the next five years - it's a no brainer to do, you have nothing lose and definitely a great deal to gain! I thoroughly recommend these people. The sadness is that they have difficulty in persuading people that they are genuine - take it from me, they most certainly are!"

Fairway Boarding Kennels. Walsall

"I had no idea of how things worked but I have to say letting this company do their bit proved to be an excellent result for us . You can be very confident that they will work well for you! They did everything they said was possible and it was a great result in our favour. I admit to being sceptical at first but now I can fully recommend their services."

Bowenhurst Kennel & Cattery. Farnham

"They did a wonderful job securing me a substantial tax refund and kept me informed at all times. I would be happy to recommend their service to anyone."

Astley Farm Boarding Kennels. Manchester

"Me and my accountant checked them out and saw they were legitimate. I gave them a few details and they sent a surveyor and within a month I got a few thousand pounds back. Their fee came of rebate, I can't believe I got money for nothing! Very nice people to deal with."

East Dean Kennel & Cattery. Ashford

"When I was first contacted I was highly sceptical. However, they made the whole process very understandable and handled the initial concerns I had professionally. I am forever grateful for the tax savings achieved for me, as not only was I not aware of the substantial savings but the tax relief couldn't have come at a better time. Having to furlough staff and strip back the business model to increase the survivability of the business means uncertain times ahead, however a large cash rebate and even larger tax savings has decreased that concern greatly."

Treforest Veterinary Surgery. Pontypridd

"I was initially unsure when first contacted me as I thought my accountant usually dealt with things like this. They showed me the process and arranged everything without needing much from me . The whole process was easy and thanks to HJR, I recieved tax back from HMRC which I had no idea I was entitled to".
