Excellent

### *Beachmount Holiday Let. Conwy*

"I did think it was too good to be true, but as my case manager pointed out, there was nothing to lose. I am very pleased with the tax refund, really amazed. Everything was dealt with very efficiently and professionally and I was kept up to date with proceedings throughout. I wasn't hassled and was able to talk through any reservations I had. I was also impressed with the speed and efficiency that everything was done."

### *South Wing Holiday Home. Yorkshire*

"I own a holiday property in North Yorkshire and came across Zeal during a Professional Association of Self-Catering (PASC) webinar. I contacted them shortly afterwards and they explained the process and the anticipated benefits - basically a sizable capital allowance and a tax saving of almost £30k. The whole exercise took a few weeks, was super simple and the team explained everything very clearly. I highly recommend them."

### *Ceotwulph Cottage. Northumberland*

"They provided an excellent service; the staff answered all my questions and were very happy to continue answering further queries that I occurred to me during the process. The service was very efficient from start to finish and I got lots of information that made me confident to proceed. I have saved a considerable amount by using these specialists and will continue to do so until my allowance is fully used up. I would highly recommend them to others. Thanks to the team for being so friendly and helpful."

### *Rose Cottages. Bridport*

You did what you said you were going to do. Our accountant hadn't dealt with this before. So, the service is something we wouldn't have known about if you hadn't called. Very surprising. something back for nothing!"

### *Sunnynook Holiday Home. South Devon*

"We were recommended through our accountants. The team carried out a survey and put forward their assessment in a very professional and timely manner with minimal input required from ourselves. The process was a success with claims greater than expected and were well worth the competitive fees charged. We would definitely recommend them to anyone in a similar situation to ourselves when managing accountancy requirements on their FHL."

### *Aikwood Tower. Scotland*

"Exemplary professionalism and stunning results. From the very first presentation to the delivery of our cash rebate from HMRC, we were extremely impressed by the clarity, efficiency and understanding nature of the team. We can't have spent more than three hours preparing paperwork and answering questions for the team to deliver more than £60k of tax savings for us. Exceptional, speedy and to-their-word, very happy indeed."

### *The Old Mill & Hall Farmhouse. Norfolk*

"We used Zeal to complete a review on both of our holiday properties with a little scepticism. We need not have worried. From the outset they were incredibly easy to deal with, polite, friendly and extremely efficient. The process from start to finish was quick and smooth and we got a very handsome tax refund from HMRC and considerable tax credits for the coming years. We are amazed and extremely grateful. Literally cannot recommend them highly enough."

### *Smjthen Farm Holiday Cottages. Ilfracombe*

"Wow . . . I can't fault them in any way. It is not often you receive a call that leads to over 100K in tax savings. Well that's what happened to me . . . Fantastic service, great people to deal with and a speedy outcome"
