Here's what other Hospitality owners say about us.

Excellent

Honeypot Guest House & Tearoom. Scotland

"We had no idea integral features such as hot water or electrical systems could be valued for capital allowances, nor did our accountant have the specialist skills to provide such a valuation. With hardly any involvement from ourselves, appointing Zeal was one of the most rewarding decisions we made. Within 6 weeks we received a tax repayment and extremely valuable allowances we can use year after year. We would urge anyone who has not considered a claim to contact them as they guide you through the whole process".

The Six Bells. Reading

"We had no idea our property was sitting on such a big entitlement! They took the time to explain everything in detail and took care of everything on our behalf, even when there was a query from HMRC. We cannot fault the service!".

Samuels Sandwiches. Haverfordwest

"Excellent service - I was kept well informed at all stages, all my questions were answered quickly, and the whole process was fast and simple. Thank you!"

The Foxham Inn. Wiltshire

"Having thought of all the ways I could possibly be scammed (and coming to the conclusion that there weren't any ways I could lose), I went for it. I am so glad I did. I received a healthy tax repayment from HMRC and my January tax bill was decreased by over half! Win Win! The work that is done is too technical for an ordinary accountant so use them rather than trying to do it yourself. You will be pleased with the results! I was."

Sunnynook Holiday Home. South Devon

"We were recommended through our accountants. The team carried out a survey and put forward their assessment in a very professional and timely manor with minimal input required from ourselves. The process was a success with claims that were greater than expected and were well worth the competitive fees charged. We would definitely recommend them to anyone in a similar situation to ourselves when managing accountancy requirements on their FHL."

Smythen Farm Holiday Cottages. Ilfracombe

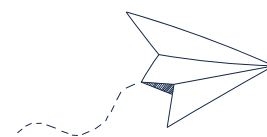

"Wow . . . I can't fault them in any way. It is not often you receive a call that leads to over 100K in tax savings. Well that's what happened to me . . . Fantastic service, great people to deal with and a speedy outcome"

The Mason Arms. West Wales

"We were amazed at the knowledge and skills of HJR's tax consultant. We received a timely cash injection and drastically reduced our annual tax bill."

The King's Head. South Wales

"I had no idea I could make this claim and would I'd have been none the wiser without Zeal. The whole process was easy and only took a few weeks. I received two cash rebates from HMRC for overpaid tax and have thousands left over which will reduce my future tax payments".
