Here's what other Hotel/B&B owners say about us.

We are rated Excellent on  **Trustpilot** 
Excellent

Potters Moorings Hotel. Teignmouth

"Great, friendly and professional service. Did exactly what they said they would do and saved us thousands in tax by carrying out a capital review of our business property. We would highly recommend them."

Cedar Manor Hotel. Lake District

"Great advice provided and a successful result with HMRC in reducing our taxation over the coming years. To be honest, I didn't fully understand it and passed them over to my accountant, who understood immediately and approved their consultancy. The process was straightforward and they achieved the desired result. I am impressed with the service provided and my accountants have been given clear instructions on how to allocate the tax allowances."

Cheriton Bed & Breakfast. Cornwall

"We can't thank you enough for guiding us through the Capital Allowances reclaim process so efficiently and professionally! Without exception everyone has been so helpful and friendly. The entire process was so easy and quick and we have received a large sum of money which we simply would not have known we could reclaim!"

The Courthouse Guest House. North Wales

"We were initially sceptical (as we are with any company which offers something for nothing), but what a nice surprise! They were true to their claim, brilliant to deal with, efficient, and saved us £'000's in tax."

Keigwin House Guest House. Penzance

"I was sceptical at first because I had never heard of 'Embedded Tax Allowances'. After it was all explained to me (and after checking with my accountant), I was happy to go ahead. The process was extremely simple. They claimed a large sum of allowances on our behalf and proved me wrong in the process. I totally recommend having a chat with them, you have nothing to lose and a lot to gain!"

Hammonds Park Hotel. Tenby

"I was hesitant at first, usually if something sounds too good to be true it is but not these guys. Hassle free and got us significant amount of money which otherwise we would never have got." 

Old Drift House. Ipswich

"We were naturally sceptical when we first heard about making a Capital Allowance claim, but a quick check with our accountant reassured us and we went ahead. They handled everything from start to finish in a matter of weeks and we received payment from HMRC as promised. They did just what it said on the tin. Don't hesitate and let them handle your claim. Very glad we decided to go ahead. Highly recommended."

Holmlea B&B / Guest House. Windermere

"The whole process has been very clear, consistent and concise. The communication has been excellent. Dealing with them felt like dealing with a family business; I wasn't passed between multiple people in a call centre. They completely delivered and have saved me thousands in current and future tax payments."

Warwick Guest House. Cornwall

"Excellent service, excellent result! I can recommend HJR Tax without hesitation. My accountant checked it over and gave me the 'go ahead'. The process was very simple and quick with a nice tax rebate - what's not to like!"

Killerby Old Hall. Scarborough

"When first contacted, I was sceptical that they could do what they said, however with nothing to lose they visited to survey the property. Best decision I have made in many years! They identified a very large amount of tax credits (all that our accountants had missed) and got us thousands of pounds in refunds. They are worth every penny of the fee (which comes out of the refund)."
