Cheeky Monkees Group. North England

"Having met at an exhibition, the process for the claim was very simple. Any tax savings are always a bonus, so it was a lovely surprise when they told us the outcome of our claim. You have nothing to lose. I would certainly recommend to anyone that has purchased their premises."

Ladybird Montessori Nursery. Birmingham

"You need to use this company! I was initially massively sceptical having received a cold call but. I looked at their website and saw all the good reviews so I decided to pursue it further. I literally just showed the gentleman our property he took some photos and he did all the calculations. This is one of the only times in life where something sounded too good to be true, but it was in fact true."

Camau Bach Nursery. South Wales

"Really professional company. I thought that this sounded too good to be true, however, I have received nearly £20K of tax savings with minimal effort! They have been so easy to work with and very patiently explained the whole process to me. I can't believe how quickly the work was concluded and I felt happy that they were able to liaise with my accountants and HMRC on my behalf. Thoroughly recommended!"

Brookfield Day Nursery. West Sussex

"I found everyone to be most helpful in securing a rebate and tax savings for us. I would recommend them to anyone who owns their nurser property"

Lanark Road Nursery. Edinburgh

"I wasn't aware of the Capital Allowances that could be claimed on behalf of our business. They talked me through the process and were aware of my scepticism. They gave me confidence by doing what they said they would do and in the end I was delighted with the end result."

Daisy Day Care. South Wales

"I was skeptical at first, but after I clarified the service with my accountant I was very pleasantly surprised that I was in a position to claim this tax back. I am very happy they were also so willing to speak to my accountant directly. At the end of the day you have to put trust in people sometimes. Overall, I am very happy with the service."

Orbis Education & Care. UK

"We have worked with Zeal over the past few years to help us optimise the tax relief on our investments in our education and care facilities. Their specialist knowledge and expertise has provided us with significant tax savings that we were not aware we could claim. We have been extremely happy with the level of service provided to us and would highly recommend that those in the education and care sector seek their advice."

Fearnley Day Nursery. West Yorkshire

"Great company to work with. Always in contact with ourselves and no messing about. The claim was completed in a matter of weeks. Would really recommend them!"
